Wow! Another year has gone by. It goes by fast doesn't it? Being editor of the Yearbook was a great experience for me. It taught me how to be responsible for my actions and how to set goals and stick to them. It also taught me how to deal with people.

This year we worked with two new advisors, Mrs. Spalding and Mrs. McCann. It was

a learning experience for everyone involved.

Many of the pictures in this book were taken by the staff. Many long, dedicated hours have been put into making this yearbook. The whole staff worked hard and we put together a great yearbook. Overall, I would say we had a "cheesy" year. I hope this book will bring back happy memories.

Editor, Jill Kipfmiller

What We Were, What We

"This school year has been a

challenge from the start to finish.

We have come a long way and have all grown a little, cried a little,

laughed a little and have come out of it all a little better for it. This is

the year that was, is, and always

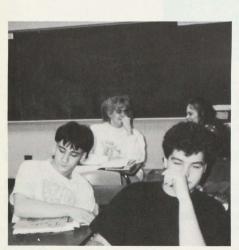

will be, the year of the class of '92".

Mr. Richardson.

"The 1991-1992 school year was challenging and rewarding. The Positive Peers were very active in their work with substance abuse prevention activities. The senior class attempted to remove what little color I have left in my hair while the seventh grade kept me racing to keep ahead of them. As I sit and reflect on the many events that highlighted this school year I can't help but acknowledge the real sense of pride I have in the students that walk the hallowed halls of Freeland Jr./Sr. High School. We have a special school because of all the special students and teachers who make it that way. Though my job can be frustrating at times I remain convinced that it is my priviledge to be a part of the best school anywhere." Mr. Maxwell.

Queen Stephanie Zientek escorted by her parents.

Stephanie was recognized in Who's Who Among American High School Students and was inducted into the National Honor Society. She has been class treasurer for three years and treasurer of the Young Lawyers for one year. She has participated in softball, is a member of the Positive Peers, Spanish Club, Marching and Symphonic Bands. She enjoys reading, going to sporting events, and being with friends. Stephanie would like to attend Alma College and study in the field of medicine.

"This year's football team began to rebuild from the previous year's playoff team. The varsity team was short on members but full of heart. The win over Hemlock was the first football win over the Huskies, at any level, since Freeland was created as a high school. Good luck to the 91-92 seniors." Coach Hacker

Than Just Running

K. Robertson passes the baton to A. Hacker

"Being in track for four years has taught me many things that will help me in my future. It has taught me that I should *NEVER* give up, and try my hardest, even to the end. It has taught me to be competitive in everything I do, and if I try hard enough I can and will succeed. I have learned to believe in myself and trust myself to do well. Being team captain for two years has taught me to be a positive role model for the younger members on my team. I would like to thank my coach, Mr. Craig, and wish good luck to future track teams. "The 1992 Marching Falcons, led by Drum Major Wendy Sieggreen and Flag Captain Leah Wilder, had a very successful season. Band camp and the games were very enjoyable with the immense school spirit and enthusiasm. This group with 114 members was the largest in Freeland High School history to date. With such a large group, their cooperation was essential during all the practices and performances. They were an outstanding group of people to work with and I enjoyed every minute of it." William E. Shephard; Director of Bands

B. Foulds and B. Karst cheer on the team

Careful Mark! Don't drop 'em.

Being drum major of a band as well respected as ours is very rewarding. Although it is a great feeling when we successfully complete a performance, the real satisfaction comes from working with the people. I was very lucky to have such a fine group to work with. I would like to thank each of them and Mr. Shepard for their help and effort all throughout our marching season.

Newspaper Makes The Headline

"Being the editor of the newspaper has taught me a lot about responsibility. I've learned how to handle deadlines, space shortages, stress, etc. Although it's hard work I really enjoy it." — Stacy Zeigler

"Co-operative education is a program open to seniors that gives them an opportunity to gain work experience similar to their career goals. Students are required to take a related class during the experience to gain additional knowledge in the field. There were four participants this year. Dow Corning employed Brian Foulds while Dow Chemical employed Arica Birch, Ann Magyar, and Joy Smith." Mrs. Chisek

The Three Amigos

The Spanish Club provides an opportunity for the students to socialize outside the classroom. Each month there is an activity which usually includes some aspect of Hispanic culture. The activities this year included a scavenger hunt, Halloween Party, a trip to La Senorita, a progressive dinner, a Superbowl Party, a ski trip, a swimming party, and Cinco de Mayo festivities. In addition, the Spanish club held a Penny Campaign to raise money for a needy family at Christmas time. A check for \$100.00 and a pinata filled with candy was given to a local family. The climax of the year will be a trip to Spain. In June, 14 students will be travelling to Madrid, Barcelona and the island of Mallorca.

This year's new N.H.S. Inductees

N.H.S.

On Tuesday, May 19 1992, thirty-one new members were inducted into the Donald R. Fox Chapter of the National Honor Society. One student was received as a transfer from another chapter. To be considered for this honor, each student must have a 3.25 grade point through five semesters of school, and have achievements in leader-ship, citizenship, and community service. There were 19 returning members.

The returning members look on anxiously.

"The 1991-92 Positive Peer group was very active and more positive than ever. Many prevention and community service projects were accomplished. This year we started a Jr. High prevention group called S.T.A.N.D. which is an acronym for, Students Taking A New Direction. For the first time we employed a volunteer executive committee to direct our activities. Members of the P.P. Executive Board were: Stacia Borrello, Tanya Kozuch, Joey Day, Sara Erskine, Bridget Lennon, Ryan Feit, and Ashley Brinn. The entire group of 60+ students was outstanding this year. Joe Hankish as the parade clown was loved by all the children. Joey Day directed the video project. Mrs. Kolbe encouraged everyone to be the best they could be." Mrs. Maxwell

The 1991 Exchange

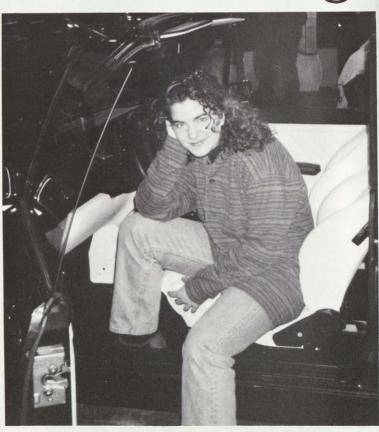

"I had an idea about what it would be like here from what my sister and friends told me after they had visited the United States. I had a stereotype of America from the movies. Then I came here and found that it was totally different. I found that the way of life and people's standards were different from what I was used to

I tried new things here like food, softball, and going to the mall. (There aren't malls in Spain, just small separate stores).

I want to thank my host family, Tracie, and my friends and teachers for making this a great experience. I would also like to thank my parents for giving me the opportunity to come here.

I would encourage students to be an exchange student in a foreign country. It is a truly wonderful experience."

"My name is Ullariikka Koskela and I am an exchange student from Hyeinkaa, Finland. These last ten months that I have been a senior at Freeland High School have been a different and exciting time in my life.

I was lucky to be part of Freeland's band (which is the best band in Michigan) and a cast member of both school plays. I have great memories of these activities.

America is an enormous country and in many ways opposite from Finland. The scenery varies and I enjoyed traveling in the United States and seeing different places such as Washington D.C., Florida, and California.

I want to say thank you to my great host family, the Buchalters, and to all the other people who have helped to make my year special." Ulla Koskela

Congratulations Class Of 1992

Thank You, Mr. Perry

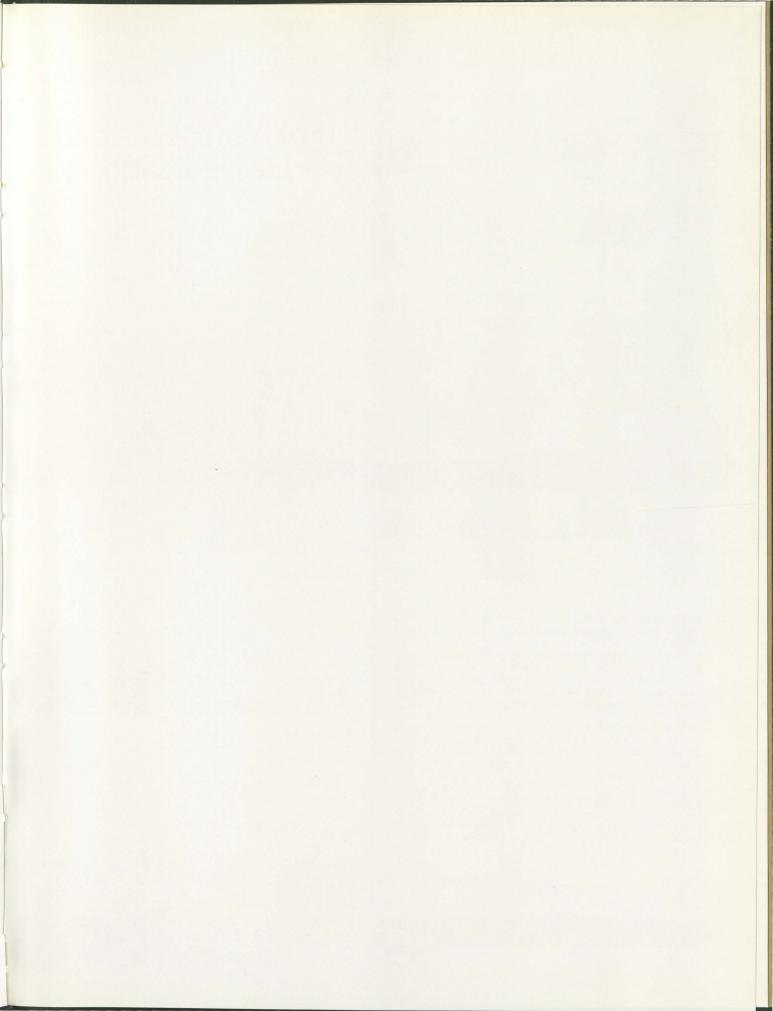

Jim Perry was the rock of the yearbook staff. He was always there working for and with young people \dots Mr. Richardson

Mr. Perry is a very artistic and organized individual who employed his skills for many years to produce a quality yearbook. His decision to retire from the helm of the yearbook staff was met with sadness by all of us who have grown accustomed to his fine works . . . Mr. Maxwell

I was nervous about working with Mr. Perry my first day at yearbook, but I learned that he is very helpful. He tries to do things the best way possible. His help and guidance helped a lot in this yearbook and without him we never would have finished the book . . . Amy Gale

I've enjoyed working with Mr. Perry for the past three years. He was a big help the first year especially. He was always patient with me when I needed help. After struggling this past year, Mr. Perry helped us greatly . . . Jaime Kline
